Dear Potential Applicant:

The Massachusetts Department of Correction will hold a Career Opportunities Fair on Saturday, July 19, 2008 from 9:00 am to 12:00 pm at the Training Academy in Shirley, MA.

As a public safety agency, the Department of Correction's mission is to promote public safety by incarcerating offenders while providing opportunities for participation in effective programming designed to reduce recidivism. The Department of Correction is looking for candidates who can contribute to that mission.

At the Career Opportunities Fair, Department of Correction staff, including representatives from Human Resources, Training, and Affirmative Action will be available to discuss how staff at the Department of Correction contributes to public safety.

Additionally there will be an orientation session regarding the selection, screening and formal training required for recruit applicants as well as other positions in the Department of Correction. The orientation session will aid interested applicants in making a well-informed decision regarding ability and commitment to succeed at the Department of Correction.
